

## **Directions to North Manchester Plant**

### From Ft. Wayne Airport to Plant:

Coming out of Hertz car lot, take a left onto Ferguson. Go to Airport Drive and make a right. Take that road to Baer Field Thruway and make a left. Go to Smith Rd. (there will be a Coke plant on the corner) and make a right. Take that to Lower Huntington Rd. and make a left. Take Lower Huntington Rd. to I-69 and head north. Go approximately 3 miles and get off at Exit 102. Turn left onto Hwy. 24 (also called Jefferson). Go approximately 5 miles until you get to the intersection of Indiana Hwy. 114 and turn right. Take Indiana 114 approximately 22 minutes until you arrive in North Manchester. Once in North Manchester Indiana 114 is Main Street. Go through both stoplights. Continue until you get to First St. and turn left (Allen Feed will be on the left side of the street). Take First St. until it dead ends at South St. Turn right on South St. The plant is at the intersection of First St. and South St. Park in front.

### From U.S. 30 to Plant:

Turn south on Indiana 15. Follow Indiana 15 through Warsaw and Silver Lake. Indiana 15 intersects with Indiana 114. At Indiana 114 turn left. Continue on Indiana 114 until into North Manchester. Indiana 114 becomes Main Street. You will cross a railroad track. Turn right at the first street pass the railroad tracks- First Street. Take First St. until it dead ends at South Street. Turn right on South Street and park in front of plant.
