Robertshaw Controls Company is voluntarily recalling all TS-11 Thermal Safety Control Gas Valves manufactured between February 3, 2003 and August 4, 2004. These valves have date codes from 0306 through and including 0432.

The following manufacturers use these valves in certain of their products:

AMERICAN RANGE CORPORTION	Please contact manufacturer for affected models
AMERICAN WYOTT FOOD SERV. EQUIP	Please contact manufacturer for affected models
BLODGETT OVEN CO. (THE)	Please contact manufacturer for affected models
BTU SERVICONTROLES	Please contact manufacturer for affected models
CECILWARE CORP	Please contact manufacturer for affected models
CIA FERNANDO DELGADO S.A.	Please contact manufacturer for affected models
COMSTOCK CASTLE STOVE CO.	Please contact manufacturer for affected models
CONSOLIDATED COMMERCIAL	Please contact manufacturer for affected models
CUSTOM SALES & SERVICE, INC.	Please contact manufacturer for affected models
DCS (DYNAMIC COOKING SYSTEMS)	Model number listing attached
DUKE MANUFACTURING	Model number listing attached
G L T INC	Please contact manufacturer for affected models
GARLAND COMMERCIAL	Model number listing attached
IMPERIAL MANUFACTURING CO.	Please contact manufacturer for affected models
JADE RANGE (Div. MAYTAG)	Model number listing attached
KAREEM CORPORATION	Please contact manufacturer for affected models
LES INDUSTRIES M.K.E. INC	Model number listing attached
LV ASSOCIATES INC.	Please contact manufacturer for affected models
MAYTAG APPLIANCES (see Jade Range)	Please contact manufacturer for affected models
MONTAGUE COMPANY	Please contact manufacturer for affected models
PMI FOOD EQUIPMENT GROUP (see Vulcan Hart)	See Vulcan Hart,
RANKIN-DELUX INC.	Please contact manufacturer for affected models
ROYAL RANGE of CALIFORNIA,INC	Please contact manufacturer for affected models
SOUTHBEND	Model number listing attached
SUNFIRE (Div. Garland)	Model number listing attached
TRI-STAR INC.	Please contact manufacturer for affected models
U.S. RANGE (Div. Garland)	Model number listing attached
VULCAN HART (Div. PMI)	Model number listing attached
WOLFE INTL	Please contact manufacturer for affected models
WOLF RANGE	Model number listing attached
